About

NIHR is non-profitable, independent of any political and religious affiliation, non-governmental organization was founded in 2005 by a group of activists who are interested in establishing the basic principles of human rights, democracy, citizenship and peace building and targeting (children, young people and women) particularly the most vulnerable of them over the long term in various regions of Iraq.

Vision:

Effective, independent, and free civil society, enjoys human rights, democracy, citizenship, and peace.

Mission:

An independent NGO, non-profit, developmental, works on the dissemination and strengthening of the culture of human rights and democracy, citizenship and peace-building for (children, young people and women) and target the most vulnerable of them over the long term in various regions of Iraq.

Objectives:

First objective: to increase knowledge and skill on human rights culture and monitoring and documenting, in addition to reporting, and this culture is built on international legitimacy.

Second objective: to facilitate the active participation of the community to spread and strengthen the culture of democracy and citizenship and peace-building and advocacy for its accession.

Third objective: to encourage dialogue and consultation between governmental institutions and NGOs and community members to create a favorable political environment for the application of not activated legislations and laws, rules and regulations.

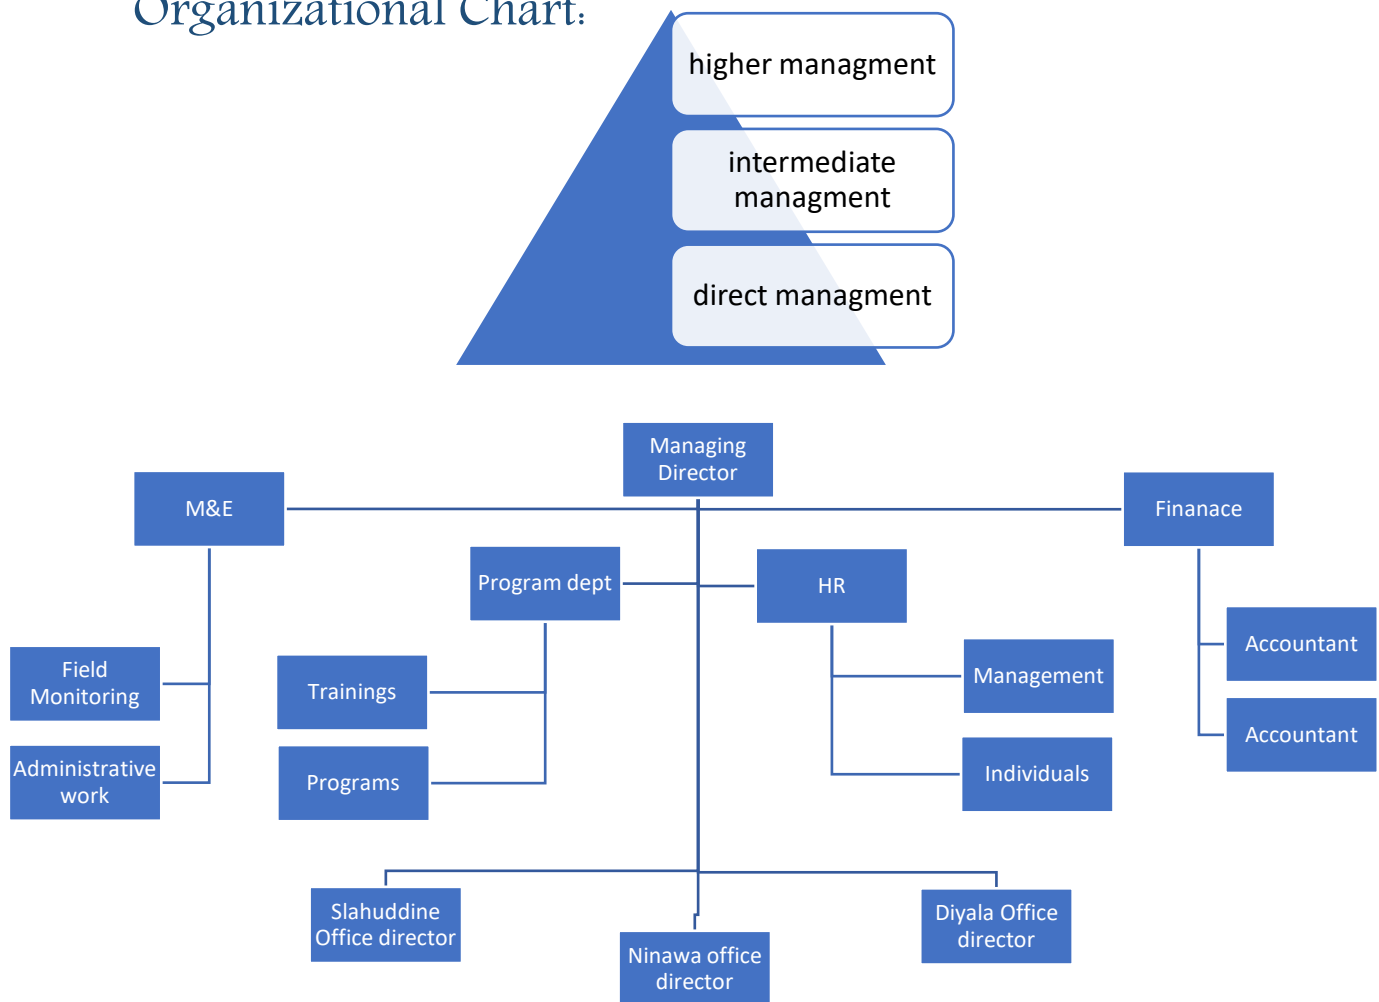

Fourth objective: to create a balance between the rights and duties of members of society by providing emergency responses and restoring stability to the IDPs and immigrants, in addition to the returnees.

Institute Legal Status

Nationally: Issued by the General Secretariat for the Council of Ministers (NGOs Directorate) under the number 1z38615

Locally: Issued by Kirkuk Government /Directorate of Kirkuk Province Affairs numbered (IBOOA-20), according to their letter no 10 on 4/1/2009

Organizational Chart:
